

TESS THOMPSON

One Brookings Drive, Campus Box 1196, St. Louis, MO 63130

EDUCATION

- PhD** Social Work, Washington University in St. Louis, 2016
Dissertation: “Social Support and Intimate Partnerships in African American Women with Breast Cancer”
- MPH** Washington University in St. Louis, 2012
- M.Phil** English Studies, University of Oxford, 1999
Thesis: “Women and Philanthropy in the Victorian Novel”
- BA** English, Pennsylvania State University, 1997

ACADEMIC APPOINTMENTS

- 2017–present Assistant Professor on the Research Track, Brown School of Social Work, Washington University in St. Louis
- Faculty Scholar, Institute for Public Health
Member, Siteman Cancer Center
Member, Institute of Clinical and Translational Sciences
Faculty Affiliate, Social Policy Institute
Faculty Affiliate, Center for the Study of Race, Ethnicity & Equity
- 2016–2017 Postdoctoral Research Associate, Health Communication Research Laboratory, Washington University in St. Louis

RESEARCH FUNDING

Current support

- Mentored Research Scholar Grant 7/1/2019–6/30/2024
American Cancer Society \$674,074 direct costs
Analyzing outcomes for African American breast cancer patients & caregivers
Role: Principal investigator (Primary mentor: Colditz)
- 1R03CA273485-01 07/25/2022-06/30/2024
NIH/NCI \$100,000 direct costs
Developing a dyadic survivorship intervention for Black women with breast cancer and their informal caregivers
Role: Principal investigator
- R01 CA235773-01A1 7/1/2019–6/30/2024
NIH/NCI \$2,794,837 direct costs
Expanding population-level interventions to help more low-income smokers quit

Role: Co-investigator (PI: Kreuter)

Envolve Grant 07/01/2015–01/31/2023
Envolve Center for Health Behavior Change
Establishing an evidence-based approach to achieving and sustaining measurable improvement in health behavior and health outcomes
Role: Co-investigator (PI: Grinstein-Weiss)

Completed support
1R01 CA2011429-01 07/01/2016–06/30/2021
NIH/NCI \$2,075,619 direct costs
Helping the poor quit smoking: Specialized quitlines and meeting basic needs
Role: Co-investigator (PI: Kreuter)

P.E.O. Scholar Award 08/1/2015–07/31/2016
International Chapter of the PEO Sisterhood \$15,000 award
Social support and intimate partnerships in African American women with breast cancer
Role: Principal investigator

Pending support
1R01CA277778-01 12/01/2022-11/30/2027
NIH/NCI \$1,250,000 direct costs
Dyadic analysis of unmet social needs among breast and gynecologic patients and their informal caregivers
Role: Principal investigator
Status: Pending council review; 11th percentile (NCI funded ESIs through 16th percentile in 2021-22)

AWARDS AND HONORS

Brown School Class Gift Scholarship, Washington University in St. Louis, 2011–2012

Maternal & Child Health Student Fellow, American Public Health Association, 2011–2012

BJC Scholar, Washington University in St. Louis, 2010–2012

St. Hilda's College Graduate Scholarship, University of Oxford, 1998–1999

Rhodes Scholarship, University of Oxford, 1997–1999

Eric A. Walker Award for enhancing the reputation of Penn State, 1997

Sams Award for best creative honors thesis in English at Penn State, 1997

RESEARCH EXPERIENCE

Research Assistant, Health Communication Research Laboratory, St. Louis, MO

June 2010–June 2016

Wrote manuscripts; conducted mixed-methods interviews about collection of family health history information; analyzed data in Atlas.ti and SPSS; used a health literacy tool to assess health resources; helped revise a health literacy evaluation tool; received training in qualitative and quantitative research; completed literature reviews; created posters

Graduate Practicum Student, Siteman Cancer Center, Division of Health Behavior Research, St. Louis, MO

May 2011–December 2011

Created literature reviews about breast cancer and quality of life; conducted interviews; managed and analyzed data; created a poster and wrote a manuscript about breast cancer and social support

Writing and Editing Consultant, American College of Radiology, Philadelphia, PA

May 2005–December 2008

Wrote articles about medical imaging and multi-site clinical trials for newsletters and trade publications; created content for patient brochures, posters, and web sites; wrote press releases and other publicity materials; copyedited newsletters

Protocol Associate, American College of Radiology, Philadelphia, PA

August 2002–August 2004

Worked with research teams to develop and revise multi-site clinical trial protocols for cancer imaging, including the National Lung Screening Trials (NLST) and the Digital Mammography Screening Study (DMIST); submitted protocols to government regulatory agencies and oversaw revisions; assisted sites in complying with regulatory requirements; presented regulatory information to researchers at conference sessions; developed an educational manual for principal investigators

TEACHING

Teaching Fellow (Independent Instructor), Washington University in St. Louis, MO

Fall 2015

Master's-level Research Methods class

Rated 4.72 (on a 5-point scale) for student satisfaction with quality of teaching

Teaching Assistant, Washington University in St. Louis, MO

Spring 2014

Master's-level Epidemiology Methods class

Fall 2013

Master's-level Social, Economic, & Political Environment class

Spring 2013

Master's-level Health Behavior & Health Promotion class

Guest Lecturer, Washington University in St. Louis, MO

Spring 2018, Spring 2017

Presented “Using Qualitative Methods for Evaluation” lecture in master's-level Evaluation of Programs and Services classes

Summer 2013, Spring 2014, Spring 2015

Presented “Behavioral Economics and Health” lecture in master's-level Health Behavior and Health Promotion classes

Project Director, StudioSTL, St. Louis, MO

January 2007–May 2010
